CHILDREN'S VILLAGE

THE BULLDOG ACADEMY SUMMER CAMP

Game Design & Media Creation

GAME DESIGN & MEDIA CREATION

This program offers an excellent opportunity for middle school students, specifically those in grades 6-8, to explore academic themes and creativity in the game and media industries. The summer camp includes various activities that connect grade-level knowledge and academic skills to their use in the youth's game and media creation projects.

DAILY ACTIVITIES

Youth will participate in morning academic activities, afternoon game design & media projects, recreation time, field trips, and meals.
